Resource Estimation Report Authors

This week

Note: Some reports can contain multiple resource QP's and consulting companies so numbers may not add up to total.

We have recently adjusted our methodology for producing the above graphs. We now only count a resource author where the resource status is maiden/updated/upgraded. Previously we counted a resource author even if the resource status itself was unchanged.

Overall since Oct 2014

8

Reserve Estimation Report Authors

Overall since Oct 2014

This week

Note: Some reports can contain multiple resource QP's and consulting companies so numbers may not add up to total.
